

OCÉANE

CERTIFIED ORGANIC* PEARLY MIST

PRODUCT DESCRIPTION

Océane Pearly Mist makes it easy to moisturize and refresh the body in a fine mist.

Alaria esculenta and Rock Samphire combine their vitalizing properties to energize and exalt the body:

- **The Alaria esculenta extract** provides tonicity, suppleness and elasticity for the skin.
- **The Rock Samphire extract** revitalizes the skin by stimulating energy production in cells.

The Océane Pearl Mist perfectly intertwines sensorial textures and fragrances with the efficacy of beneficial marine-origin ingredients.

Packaging:
100 ml Glass Container

CHARACTERISTICS

- Iconic natural-origin fragrance
- Invigorating Alaria esculenta
- Revitalizing Rock Samphire
- Moisturizes & refreshes the body
- For all skin types

DIRECTIONS FOR USE:

- Apply after showering, on dry skin
- Spray over the whole body

OLFACTORY PYRAMID

ACTIVE INGREDIENTS

- **Rock Samphire** : coastal plant that immediately stimulates energy production (ATP) through cellular respiration (measured by dosage of CO2 after metabolization of glucose-6-phosphate - test ex vivo). The skin is reinvigorated with beautiful tone.
- **Alaria esculenta** : thin, threadlike brown seaweed, with tonifying properties (proven anticollagenase and antielastase activity - ex vivo testing).
- **Organic Glycerin** : humectant, moisturizing with hygroscopic effect
- **Organic Aloe Vera** : moisturizing, soothing, and protective (forms a protective layer on the surface of the skin that prevents moisture loss).
- **Organic Starflower Oil** : nourishing/ moisturizing agent
