

CERTIFIED ORGANIC* SHOWER GEL

PRODUCT DESCRIPTION

OCEANE Shower Gel leaves the skin perfectly soft and clean. It's cleansing base without sulfates rids the epidermis of impurities without upsetting its natural balance. Its marine origin active ingredients (brown seaweed and rock samphire) reinvigorate the skin, while its rich and fragrant foam instills a unique sensorial experience.

Packaging :
200 ml Tube / Packaging made out of 50% recycled plastic

CHARACTERISTICS

- Cleansing base without sulfates
- Natural origin fragrance
- Energizing *Alaria esculenta* extract, an oceanic brown seaweed
- Revitalizing Rock Samphire extract, a coastal plant
- For all skin types

DIRECTIONS FOR USE

- To be used in the morning / evening on wet skin

ACTIVE INGREDIENTS

- Rock Samphire: coastal plant stimulating cellular respiration which increases directly usable energy (ATP) in cells (measure of CO₂ production after metabolism glucose 6 phosphate – test *ex vivo*). The skin is reinvigorated, the complexion glows.
- *Alaria esculenta* : long and thin oceanic brown seaweed, with energizing properties (proven anticollagenase and antielastase activity - *ex vivo* testing). Skin has renewed bounce and suppleness.
- Organic Glycerin: moisturizing, humectant.
