

CERTIFIED ORGANIC* SPF30 TINTED FACE SUNSCREEN

> Product description :

The SPF30 Tinted Face Sunscreen is a **two-in-one efficient sunscreen protector and true daily beauty ritual**. During outdoor activities, whenever you go for a walk through town or get some fresh air, the SPF30 Tinted Face Sunscreen insures you a **high natural sun protection**. Its **mineral sunscreens** protect your skin from **UVA and UVB** rays and our **patented red algae extract with powerful anti-oxidant properties** preserves skin cells from free radicals negative effects, such as **premature skin ageing**. Very pleasant to use, the SPF30 Tinted Face Sunscreen's **high quality cosmetic effects** enhance your skin : it **moisturizes, unifies and matifies** to achieve a **subtle healthy glow**. It can be used on all skin types and on many skin tones: available in two different tints, **LIGHT and GOLDEN**, both blend in effortlessly ('second skin' effect).
