

Certified Organic* SPF 30 Sunscreen Lotion

> Product description

The SPF30 Sunscreen Lotion provides high natural anti-UVA/UVB protection thanks to its mineral screens and to its patented red algae extract *Alga-Gorria*®, a powerful antioxidant that neutralizes free radicals to prevent cellular damage and skin ageing caused by exposure to UV rays.

Fluid, easy to apply, without withering effect and non greasy, the Certified Organic* SPF30 Sunscreen Lotion keeps the skin protected and soothed for the duration of exposure.

The SPF30 index is suited to clear and sun-sensitive skin during outdoor activities, and for fair complexions in more extreme situations of sun exposure.
