

Certified Organic* SPF30 Face Sunscreen

> Product description

The SPF30 Face Sunscreen is an **efficient sunscreen protector and a true daily beauty ritual at the same time**. Indeed, its creamy light texture, non-whitening, provides great **moisturizing and matifying effects**, brings out best in the skin with comfort and softness. To fight against the negative effects of the sun, **skin compatible mineral screens** protect from UVA and UVB rays, while *Alga-Gorria*[®], our patented red algae extract with powerful anti-oxidant properties **prevents cellular damage and combats premature skin ageing**.

SPF30 suits to clear and sun-sensitive skin during outdoor activities or darker skin tines in more extreme situations.

The SPF30 Face Sunscreen is sweat-resistant and is perfectly suited for outdoor sporting activities.
