

Certified Organic SPF 50+ Sunscreen For Children - 50ml

> Description produit

Children's skin must be protected against the sun: excessive exposure during childhood seriously increases the risk of developing serious cutaneous afflictions in adulthood. The SPF50+ Sunscreen For Children ensures optimal cellular protection: on the one hand from UVA/UVB thanks to **gentle mineral sunscreens** and on the other hand against **free radicals** thanks to *Alga-Gorria*[®], patented red algae extract (*Gelidium sesquipedale*) with antioxidant properties.

Hypoallergenic, without preservatives, without added fragrances, the Sunscreen For Children's formula is perfectly adapted to their sensitive skin. Its **high water resistance** makes sure it stays on throughout playtime.

> Characteristics:

- Hypoallergenic, formulated to minimize risk of allergies. No preservatives.
- Cellular protection: UVA/UVB and free radicals
- Light texture
- Never sticky
- No perfume, odorless
- Highly water resistant

From Ages 6 months and up.
Recommended for all outdoor activities, no matter the weather.

> Tips for use

- Sunscreen cream for children especially formulated for young, fragile skin in the sun
- Suitable for beach and mountain exposure
- Do not expose babies and young children less than 3 years directly to the sun. Make them wear protective tee-shirts, sunglasses, and wide-brimmed hats. Avoid exposure between 12 pm and 4 pm

Packaging:

- 50 mL and 100 mL pump dispenser
- Airless pouch allowing complete use of the product
- Can be used at any angle

> Active ingredients:
