

Certified Organic* Body Moisturising Fluid METEO LOGIC®

> Product description

METEO LOGIC® Body Moisturising Fluid provides all for all of the skin's daily needs: deep hydration, slows the appearance of skin ageing and shields against environmental attack (stress, pollution, free radicals, changing weather, etc...).

Exclusive ingredients of marine origin, such as *Alga-Gorria*®, patented powerful antioxidant extract, puts up a real protective shield of cutaneous cells.

Moisturized, strengthened and protected day after day, the skin is radiant and healthy-looking.

The light and fine texture of METEO LOGIC® Body Moisturising Fluid is perfect for normal to mixed skin or in summer weather conditions.

> Characteristics

> Active ingredients

- *Alga Gorria*®: Patented Red Algae extract (*Gelidium sesquipedale*), powerful antioxidant, protects cells and prevents skin ageing by effectively neutralizing free radicals
- Red algae extract (*Rissoella verruculosa*) : reinforces the cutaneous barrier, improving resilience by activating the natural defences of cutaneous cells against the weather (cold, heat, drought, wind, etc.)
- Organic* glycerine: humectant, moisturizing (hygroscopic effect)
- Nourishing complexe composed of organic* coconut oil and essential fatty acid (linoleic and linolenic) : stimulate the reconstitution of the cutaneous to retain moisture and a protection against external stress, comfort and soften

*Natural and Organic Cosmetic certified by ECOCERT Greenlife according to ECOCERT standard available at <http://cosmetics.ecocert.com>
